Milestone Car Sale is pleased to offer this beautifully presented 1968 MGB roadster with factory fitted overdrive, finished in the rare and lovely colour of Mineral Blue. Inside the vehicle it features the sought after early metal dashboard with matte black 'wrinkle' finish with as new black trim. This special MGB Roadster has had just 4 owners from new and has come from a small private collection, and thus has been well kept and maintained whilst only being used sparingly as supported by the little mileage done since its full nuts and bolts restoration and presents in a wonderful condition throughout, this is shown by the magnificent chrome work, paintwork and panel fitment. The supplied Heritage certificate confirms this is a home market vehicle supplied in its original factory colours, and supplied by University Motors Ltd, specified with wire wheels, Dunlop radial tyres, heater and folding hood. Dispatched on 18th September 1968, commission No: G23/010599-F. The restoration o...
